INTRODUCTION

This exciting game is comprised of jokes, riddles and humor Cards.

This interactive electronic game can be played individually or in groups, the person that answers the most jokes, riddles and humor cards, wins the game. This exciting card game can also be added to the Letter Destination and Safety Kids Board Game. Instead of using cards from the game, just use these cards instead. Answer given correctly is worth 3-7 points added to each roll.

Points determined by the players.

There is also a Free DIY download of the Letter Destination and Safety Kids board game. If you are the first player to have your letter reach grandma's and grandpa's house you win the game.

There are two ways to play the game. Younger children count from 1 to 100. The person that reaches 100 first, by reaching grandma's and grandpa's house, wins the game. Older children count numbers 1 to 100 adding game cards to the game, to learn safety, strategy and decision making. It is truly a board game that grows with your children. Providing hours of education, entertainment and enjoyment.

Lets Begin the

Game
