# **INTRODUCTION**

**Scan the QR code to reveal the answers to quiz book questions taken from Myla's Letter story book.**

**This internet quiz will allow you instant answers to your questions just by scanning the QR codes with your mobile phone.**

**The answers are contained within the QR codes. Just scan the codes and they will instantly pop up on your mobile phone.**

**You also can use a QR code app that you can download to your mobile devices. No mobile internet is needed.**

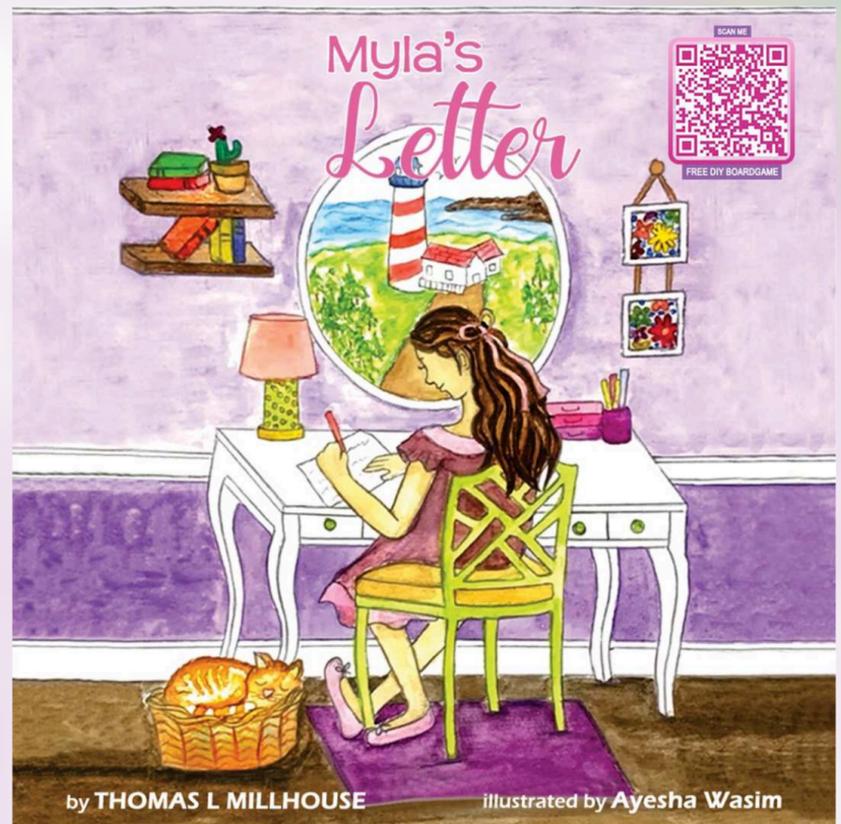

**There is no need to scroll to the back of the book to find the answers. Just scan as you go to reveal answers to the questions.**

**This is truly an interactive experience combining read and scan technology along with mobile devices. It's a really revolutionary way to learn and have fun.**

**If you don't have a mobile phone, there is no need to worry. We still have put the answers at the end of the book.**

**The future of read and scan technology books is here. It's fun for all ages and can be played in groups or individually with hours of entertainment.**

**Also provided is a free PDF story book of Myla's Letter in a download. Enjoy reading the book and be ready to answer the questions.**

**A free DIY download of the Letter Destination and Safety Kids board game is provided too.**

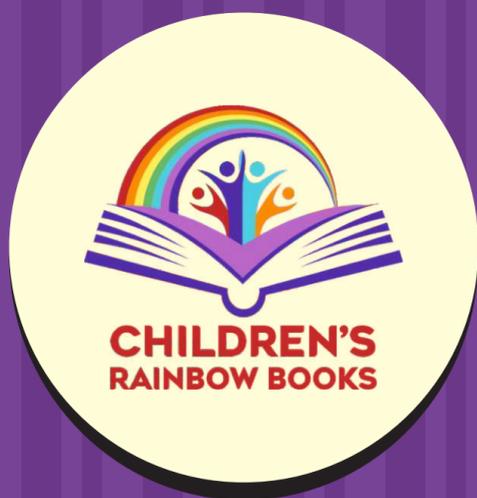

**If you are the first player to have your letter reach Grandma's and Grandpa's house, you win the game.**

**There are two ways to play the game. Younger children count from 1 to 100. The person that reaches 100 first by reaching Grandma's and Grandpa's house, wins the game.**

**Older children count 1 to 100 adding game cards to the game to learn safety, strategy, and decision-making. It's truly a board game that grows with your children providing education, entertainment, and enjoyment.**
